

Partner to Host Site Declaration of Funds Agreement

Thank you for partnering with us at Bright Hope International for the Run for Hungry Children. We are excited to work alongside you in raising funds for orphans and vulnerable children around the world. As a partner to a host site, you can designate 50% of the funds raised after expenses, from your organizations individual fund raisers, to a program or ministry of you're choosing, that is directly involved in helping orphans and vulnerable children. Of course we would like you to choose a Bright Hope partner or project, but we are open to other ideas as well.

Breakdown of Shared Funds:

Bright Hope 25%

Host Site 25%

Partnering Organization 50% (This 50% only pertains to the funds raised by organizations runners and walkers after expenses)

Guidelines for program or ministry selection:

1. Christian-based project is preferred, but not absolutely necessary. Certainly needs to be a program that does not clash with our biblical beliefs.
2. Must help vulnerable children in a vulnerable community.
3. Must provide one or more of the following: food, clothing, medical assistance, educational assistance, or evangelistic outreach to vulnerable children.
4. Final approval of the designation rests with Bright Hope.

Please contact our office with your preference by December 30.
